2. The Brewhouse usually only accepts pre-orders for groups of 8 or more.
3. It is NOT compulsory to pre-order.
4. Please advise us by **Phone (07 3891 1011)** if you are going to pre-order at the time of booking.
5. Please only send through a pre-order if you have already made a definite reservation.
6. Always write people's names clearly adjacent to their order.
7. If you send through a pre-order for someone who does not then show up, their meal will still need to be paid for.
8. Amendments/alterations to your pre-order must be made via phone before you arrive at The Brewhouse.
9. We will commence cooking your pre-order when your entire group has arrived at The Brewhouse, not before.
10. All meals on the pre-order are cooked at once, not in parts.
11. Please note that the time of your booking is your arrival time at the venue, this is not the time that your meals will be served – please allow for cooking time for your meals.
12. Please advise a member of staff that your group is here and that you have pre-ordered when you arrive.
13. Payment for pre-orders is to be made before you leave. Your name will be crossed off when you have paid.
